Re: Grades

Dear Parents,

To facilitate the comparison between the School grades and the GCE grades, we are providing you with the mark scheme which our teachers use for their evaluations.

<b>AL MARKING SCHEME</b>	
A*	98+
A	93-97
B	87-92
C	80-86
D	74-79
E	68-73
U	0-67

This scheme should only be used as a guide. It is only an indication of the level of the academic standard achieved so far.

AS/AL students need to understand that in order to achieve top grades they need to devote 3-4 hours daily on their studies.
