To: Parents of Class 7

Re: Grades

Dear Parents,

To facilitate the comparison between the School grades and the GCE grades, we are providing you with the mark scheme which our teachers use for their evaluations.

| AL MARKING SCHEME | |
|--------------------------|-------|
| A* | 98+ |
| A | 93-97 |
| B | 87-92 |
| C | 80-86 |
| D | 74-79 |
| E | 68-73 |
| U | 0-67 |

This scheme should only be used as a guide. It is only an indication of the level of the academic standard achieved so far.

AS/AL students need to understand that in order to achieve top grades they need to devote 3-4 hours daily on their studies.

Class 7 students must not forget that their final GCE grade in the summer will be based on what they achieved in all previous sittings as well.

The Headmasters Committee
