

THE GRAMMAR SCHOOL

EUROPEAN EDUCATIONAL PROGRAMMES

September 26, 2017

Our School participates in numerous Model United Nations (MUN) sessions around Europe. MUN is a simulation of the United Nations, where students act as delegates of a country (not their own country) and deal with current real global/regional political, economic, scientific, environmental or others problems. Students need to investigate the assigned question, write a resolution for it and discuss it later with the rest of the delegates during Committee work and at the General Assembly.

By participating in these events, students gain tremendous experience and enhance their portfolio of skills which can be reflected on in their Personal Statements and University applications. Students build on their abilities in areas such as research, public speaking, teamwork, problem solving and applying critical thinking. They become actively involved in aspects of conflict resolution as well as interacting in a truly multi-national environment. This involvement is 'over and above' the requirements of the academic curriculum so it is held in high regard by university admissions tutors.

Our School has been invited to participate in the forthcoming Model United Nation sessions:
MUNAU - Model United Nations of Augsburg-Germany, 31/1 - 4/2/2018 (actual session 1/2 - 3/2/2018)

MEDIMUN - Mediterranean Model United Nations, Nicosia, Cyprus, 18/11/2017 (8:30am-1:00pm obligatory workshop) and 9/2 - 11/2/2018 (actual session).
