IMPORTANT INFORMATION

DUAL ENTRY

Candidates are reminded that dual entry with another centre for the same examination session is not allowed. A penalty fee will be charged by both centres involved.

CASH IN Codes

Once a candidate has taken the required number of units they can cash-in the unit scores to obtain a grade for the subject, without fee. Without it, a candidate will not receive the overall grade for the subject, even if they have completed the required number of units.

Candidates cannot be awarded a full AS or A level grade if the CASH-IN CODE has not been included as part of the entry when the award requirements are being met. Certificates are not issued unless the CASH IN codes are supplied. Cash in Codes supplied after the deadline for applications are subject to late fees.

CLASHES

If you notice that there is a clash with another examination please inform us by bringing a copy of your statement of entry as soon as possible and we will try to make alternative arrangements, please note that you may be liable to pay an extra fee.

SPECIAL CONSIDERATION

PAYMENT

Payments should be made at the Office of Examinations or at the lobby, during the breaks, preferably by cheque addressed to The Grammar School or by exact cash.
